

# INDIRECT LIGHTING

## Patented Light Fixture XL-Indirect Sport Pendent (XL-ISP) with Remote HID Ballast

The XL-ISP lights the facility evenly from ceiling to floor, eliminates annoying glares, shadows, and creates a spectacular playing environment. This durable fixture and unique patented design reflects light at specific angles increasing illumination on the playing surface. Ideal for lighting basketball, tennis, volleyball, soccer, and hockey facilities with white ceiling heights from 15-50 feet.

**Description:** Metal Halide indirect base down reduced jacket bulb fixture pre-wired and assembled. Aluminum outer housing with suspended impact resistant inner aluminum reflector. Internal metal tubing wire race-ways. Fixture painted: high temperature polyester powder coating; gloss white. Wire guard, pendent, 4" swivel ball box cover included.

available with or without rib
