

Indirect Sport Unistrut (ISU) with HID Remote Ballast

The ISU lights the facility evenly from ceiling to floor, eliminates annoying glares, shadows, and creates a spectacular playing environment. This durable fixture and unique design reflects light at specific angles increasing illumination on the playing surface. Ideal for lighting basketball, tennis, volleyball, soccer, pool, and hockey facilities with white ceiling heights from 15-50 feet.

Description: Metal Halide indirect base down bulb fixture pre-wired and assembled. Aluminum 24" outer housing with suspended impact resistant inner aluminum reflector. Fixture painted: high temperature polyester powder coating; gloss white. Wire guard, mounting bracket, and bolts included.
